Dear Sir,

You will appreciate it that the Ministry of Human Resource Development, Government of India enunciated the Mission of Unnat Bharat Abhiyan in 2014. The objective of this mission is to enable higher learning institutions of the country to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. Since its inception, the mission has been implementing jointly by UBA- IIT Delhi and UGC, AICTE along with Local Regional Coordinating Institutes of UBA. The prime goal of the mission is to build an understanding of the development agenda within institutes of Higher Education and institutional capacity and training relevant to national needs, especially those of rural India.

In this regard, it is proposed to organize an awareness workshop on Monday, 10th February 2020 in Indian Institute of Technology Guwahati from 9 a.m. to 5 p.m. The objective of the workshop is to create awareness among institutes of higher learning so that they come forward to be a part of UBA 2.0.

We value your inputs and as such request you to accept our invitation to the workshop along with one of your resource person and make the same success.

**The Participants (Institutions) shall bear their own travel expenses.** Also please note that limited double-bedded rooms are available at IIT Guwahati Guest House on sharing basis and on payment basis.
