

**Bridge Course**  
**Department of Economics**

The main objective of the bridge course in the Department of Economics is to bridge the gap between the topics & medium they have studied in the Higher Secondary level and the topics & medium they would be studying in degree level as Honours subjects. The classes are conducted to provide basic knowledge of economics as in higher secondary level but in English.

Keeping in view this objective in mind a bridge course was conducted in 1<sup>st</sup> Semester, Honours students who come from the pure arts stream in Higher Secondary level and who take Economics as Honours where Mathematics and Statistics are included. Classes were held on 02/08/2016 by Mr Robin Kumar Kalita, 02/08/2016 by Mrs Leena Kumari Borah, 03/08/2016 by Mr Utpal Nath, 03/08/2016 by Mr. Tilak Nath, faculty members, Department of Economics. Some books of Economics in English medium are also distributed among the students.
