**Open Access**

Open access allows unrestricted online access to your ebook with no reading or subscription fees. Authors retain copyright and are able to comply with funders' open access mandates.

Our open access academic books and chapters on average receive 10 times more downloads, 2.4 times more citations, and 10 times more online mentions compared to non-open access books. Open access books can have a more geographically diverse readership, reaching on average 61% more countries than non-open access books.\*

Each open access scholarly book or chapter receives the same editorial and publishing expertise, rigorous peer review and high quality production process that non-open access books receive.

Read more about why you should publish an open access book.
