ON
GREEN CAMPUS OF THE COLLEGE

A Green Campus is a campus where environmental friendly practices and education combine to promote sustainable practices in the campus. The green campus concept redefines the environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

Aims and objectives of the College regarding Green Campus:

- To develop its campus as a green and clean campus
- To restrict the entry of vehicles inside the campus
- To build pedestrians friendly path ways
- To ban on the use of plastic inside the campus
- To contribute collectively to develop an eco – friendly sustainable campus.
- To make awareness about environmental issues among students and employees including local community.
- To undertake measures to reduce environmental emissions etc.

GOVERNING BODY RESOLUTION:

The Governing Body of the college had resolved in the meeting held on 13-08-2021(Resolution No: 08) to introduce the concept of Green Campus in the college that can redefines the environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs.

We intend to pursue a programme of continuous improvement in our procedures, practices and review the policy on a regular basis to evaluate continued relevance and to monitor compliance.
